**Lifeways is working in partnership with Inclusion Housing to develop a brand new specialist supported living service in Newcastle. The development provides accessible and attractive one bedroom apartments in the Brunswick Village area for individuals who require specialist, individualised and person centred support.**

All the apartments are self-contained and consist of a bedroom, bathroom, hallway, living room and kitchen. Assistive Technology is built into each apartment and is tailored according to the individual needs and requirements of each tenant. Additional assistive technology can be utilised dependent on the individual's needs.

**Tenant profile:** Learning disabilities, complex needs, physical disabilities, acquired brain injuries, mental health needs

**Number of apartments:** 16

**Features and facilities:**

- 16 modern apartments designed for people with a disability
- 8 are fully adapted and accessible, designed to cater for people with a physical disability
- A core team of specialist support staff on site 24/7, with an option to provide one to one support
- Assistive Technology to enhance independence
- 8 apartments have accessible wet rooms
- Modern kitchens with integrated appliances, including oven and induction hob
- Accessible and adjustable kitchen areas in all physical disability apartments
- Wide door openings in all apartments
- Excellent location, close to local amenities and transport links
- White goods provided for each of the apartments
- Parking on site
