Lifeways is working in partnership with Inclusion Housing to develop a brand new supported living service in Barnsley. St Matthew's Court is a development of modern and attractive one and two bedroom apartments in the Wombwell area for individuals who require individualised, person centred support.

All the apartments are self-contained and consist of bedroom/s, bathroom, hallway, living room and kitchen. Assistive Technology is built into each apartment and is tailored according to the individual needs and requirements of each tenant.

Tenant profile:	Learning disabilities, complex needs, acquired brain injuries, dual diagnosis
Number of apartments:	9
Features and facilities:	<ul style="list-style-type: none"> ➤ Nine modern apartments designed for people with a disability ➤ Five apartments have two bedrooms ➤ Four apartments are one bedroom ➤ A core team of specialist support staff on site 24/7, with an option to provide one to one support ➤ Assistive Technology to enhance independence ➤ Modern kitchens with integrated appliances, including oven and induction hob ➤ Good location, close to local amenities and transport links ➤ White goods provided for each of the apartments ➤ Parking on site

Services

If you need support with eight or more of the activities listed below St Matthew's Court may be the ideal service for you.
